CAN.dy Dance Project — Finance & Reimbursement Policy

1. **Purpose.** Establish clear controls for handling Team funds and reimbursing expenses.
2. **Accounts & recordkeeping.**

- Team funds should flow through the Team business checking account at **Stanford Federal Credit Union** when feasible.
- The Treasurer maintains a ledger by Project (income/expense categories) and retains receipts.

3. **Spending approvals.**

- **Studio fees:** Treasurer may pay without additional approval.
- **All other expenses:** require written authorization from **both Co-Directors** before purchase/commitment.

4. **Officer reimbursements (conflict control).**

- Reimbursements to any officer require approval by **both Co-Directors**.
- Reimbursements to a Co-Director require approval by the **other Co-Director and the Treasurer**.
- No one approves their own reimbursement.

5. **Reimbursement process.**

- Submit request within **30 days** with receipt/proof of purchase.
- Include: who paid, date, vendor, amount, Project, and purpose.
- Treasurer pays reimbursements within a reasonable time, subject to cash availability.

6. **Budgets & deficits.**

- Each Project should have an expected-income and expected-expense plan.
- Projects should not knowingly run a deficit unless both Co-Directors approve a written exception.

7. **Reporting.**

- Treasurer sends a **monthly** balance/transaction summary to Leadership Team.
- On Project closeout, Treasurer provides a short Project summary (income, expenses, remaining balance).

8. **Document retention.**

- Keep receipts and reports for at least **3 years** in the Team's shared drive.
